## **Colonialism and Empire**

From the Roman to the Aztec, from the Mughal to the French, empire is one of the most enduring and oldest forms of political organization, and its story has never been simply one of conquest and resistance. Beyond its political manifestations, imperial relations have included and produced far-

## **Race and Ethnicity**

Many people think of race as natural and self-evident; as old as humanity itself and as simple as black and white. However, human societies across time and geography have created ways of making

## **Resistance, Revolution and Reaction**

Political upheavals occur when a group of individuals rejects the dominant values of the status quo and struggles to create a different social order. These upheavals can range from bottom-up mass movements to top-down military coups. In such struggles for power, insurgents endeavor to win
